##### *Waste*

**Weddings at Loch Lomond** will work to reduce the volume of waste within its buildings, by wherever possible:

1. reducing consumption of
2. repairing
3. re-using
4. recycling

all materials used within its buildings both in daily operations and in other projects.

#### Transport

**Weddings at Loch Lomond** will monitor and work to reduce its contribution to environmental emissions from travel undertaken for business purposes.

#### Procurement

**Wedding at Loch Lomond** will purchase goods and services to minimise adverse environmental effects.

**Weddings at Loch Lomond** will use local suppliers where appropriate and will encourage its suppliers to commit to improving environmental performance.

#### Other

Where possible, **Weddings at Loch Lomond** will monitor and manage its consumption and use of other resources and materials used within its buildings, working to minimise our reliance on non-renewable resources and to avoid use of any hazardous substances.

#### Biodiversity

**Weddings at Loch Lomond** will seek to enhance the biodiversity value.

#### Our staff

We recognise the responsibility staff have in contributing to good environmental management.

**Weddings at Loch Lomond** will seek to harness and channel the enthusiasm and interest shown by staff and will provide appropriate information and support to ensure that all staff exercise their environmental responsibility.

#### Our business partners

**Weddings at Loch Lomond** will promote environmental good practice to its business partners, encouraging a shared responsibility to protecting the environment that brings so many visitors to Loch Lomond.

**Weddings at Loch Lomond** will incorporate the principles set out in this environmental policy into its day to day operations developing appropriate:

1. procedures for day-to-day operations
2. annual targets
3. action plans

The annual targets and action plan will be reviewed quarterly by the Directors of Weddings at Loch Lomond
